

City of Cincinnati
Department of Transportation and Engineering

RIGHT-OF-WAY LICENSE AND PERMIT FEES
Effective April 1, 2007

The City of Cincinnati strives to deliver responsible and responsive review, coordination, and inspection of work performed in our public rights-of-way.

To continue providing the quality and timely delivery of these services, the City will adjust rates charged to those using or performing work in Cincinnati's public rights-of-way effective April 1, 2007.

The new rate schedule more accurately reflects the cost of providing services that promote public safety, reduce congestion, and protect our significant investment in public infrastructure. Permit fees to repair sidewalks have not been changed.

Please go to www.cincinnati-oh.gov/dote/ under the "News" section to download the new fee schedule. If you have questions about the new fees in general or the charges for a particular service, please contact the Right-of-Way Permit Counter by e-mail at rowpermits@cincinnati-oh.gov or by phone at (513) 352-3463, Monday through Friday between 7 a.m. and 4 p.m. DST.

Thank you for your continuing partnership in keeping Cincinnati streets safe and dependable for everyone everyday.

**The following pages includes a schedule of
